IMPORTANT NOTICE: MEDICARE IS YOUR PRIMARY INSURANCE Based on our records, Medicare is your primary insurance for medical services. Your provider must bill Medicare first. **What happens next:** 1. Your provider will submit this claim to Medicare 2. Medicare will process the claim and pay their portion 3. Any remaining balance will be submitted to UHC as secondary 4. We will send you another EOB showing the final amounts **DO NOT PAY ANY AMOUNT until you receive the final EOB after Medicare processes.**

Why is Medicare Primary?

Under Medicare Secondary Payer (MSP) rules, Medicare is the primary payer when your employer group health plan is from an employer with fewer than 20 employees and you are 65 or older. Your employer, Anderson & Associates CPA, has 15 employees.
